CHILDREN & FAMILIES FROM
BLUE CROSS AND BLUE SHIELD OF ILLINOIS**

It fits your life...and your budget!

BlueChoice Select

If you want broad major medical benefits and savings of the BlueChoice network,¹ it just fits

Try this on for size...a healthcare plan where a \$30 copayment covers doctor office visits, well-child care and more...a plan that lets you select from a wide range of deductibles, to make it easy to tailor a plan to your needs and budget...a plan that lets you present a drug card to have your generic prescriptions filled for a \$10 copayment. Sound like a good fit so far? How about a plan that does all this and helps you stay healthy by covering preventive care with a well-adult care benefit?

Blue Cross and Blue Shield of Illinois brings you a plan that fits your expectations by giving you the benefits you deserve...at a price that's much lower than what

you might expect for a major medical plan. It's called BlueChoice Select, and it offers individual adults, individual children and families a broad range of benefits *and savings*. Through an agreement with providers in your area who participate in the BlueChoice network, BlueChoice Select can help you save on the cost of your coverage and the cost of covered services. In fact, with BlueChoice Select, you can save as much as 19% over our comparable major medical plan that does not use the BlueChoice contracting provider network!

¹BlueChoice provides you with access to contracting providers.

BlueChoice Value

A smart choice for reliable health insurance coverage at rates to fit your budget

If you're looking for reliable benefits at a lower premium, consider our BlueChoice Value plan. Like BlueChoice Select, it offers the money-saving advantages of the BlueChoice network and gives you the benefits you deserve — including coverage for hospitalization, doctor office visits, emergency care, outpatient prescription drugs, well-child care and optional maternity care.

Because BlueChoice Value leaves out features such as a doctor office visit copayment and a prescription drug copayment feature, you can enjoy a lower monthly premium. If you're looking for a great combination of benefits at a price that fits your budget, choose BlueChoice Value!

BlueChoice Select & BlueChoice Value

THE MAJOR MEDICAL BENEFITS YOU DESERVE
AT SURPRISINGLY AFFORDABLE RATES

Both **BlueChoice Select** and **BlueChoice Value** provide reliable benefits for **doctor office visits, outpatient services, emergency care, prescription drugs, well-child care and more.** Plus, both of these health insurance plans help you **save money on premiums and the cost of covered services through the BlueChoice contracting provider network.** Whether it's coverage for yourself, your children or your whole family, you'll have the reassurance in knowing your health care plan is backed by a company that has served Illinois residents for over 65 years:

Blue Cross and Blue Shield of Illinois.

\$30 Office Visit Copayment with BlueChoice Select

With **BlueChoice Select**, you pay a \$30 office visit copayment when you use contracting providers. You simply pay your doctor \$30 at the time of your visit and your copayment covers that office visit, as well as those covered services that are billed by your physician on the same day. Well-child care is also \$30 per visit with **BlueChoice Select**.

BlueChoice Select features preventive care coverage!

The well-adult care benefit offers as much as \$500 in benefits annually and covers an annual physical exam and an annual gynecological exam. It also includes immunizations and certain routine diagnostic tests. You pay a \$30 office visit copayment when you use contracting providers!

A Choice of Deductibles Helps You Tailor a Plan to Your Budget

Both **BlueChoice Select** and **BlueChoice Value** offer a choice of a \$250, \$500, \$1,000, \$1,750, \$2,500 or \$5,000 deductible. Whatever your budget, we have an option for you.

80% Coverage for Most Services

The coverage level (percentage) that **BlueChoice Select** and **BlueChoice Value** pay for covered services after you meet your deductible is called coinsurance. With 80% coinsurance, you pay 20% of your eligible bills until you've paid \$3,000 (after you've met your deductible, and when you use contracting providers). At that point, both **BlueChoice Select** and **BlueChoice Value** go on to pay 100% of these services for the remainder of the calendar year.

The Security of \$5,000,000 in Lifetime Protection for Yourself, Your Children or Your Whole Family

With **BlueChoice Select** and **BlueChoice Value**, individual adults, individual children and families may apply for coverage. Family coverage protects you, your spouse and your eligible unmarried dependent children. Each person will be eligible for \$5,000,000 in lifetime benefits. That's substantial protection for today and the years ahead.

Prescription Drug Coverage, Including Generic Prescriptions for a \$10 Copayment with BlueChoice Select

With both plans, you get coverage for outpatient prescription medications.

When you choose a \$250 or \$500 deductible with BlueChoice Select:

Simply present your prescription drug card at participating pharmacies and pay a \$10 copayment for generic prescriptions. Pay 35% for name-brand formulary drugs, insulin and insulin syringes and 50% for name-brand non-formulary medications. You can even take advantage of a program that offers convenient home delivery for maintenance drugs.

When you choose a \$1,000, \$1,750, \$2,500 or \$5,000 deductible with BlueChoice Select or any deductible with BlueChoice Value:

Outpatient prescription drugs are covered at 80% after you've met your deductible. Your claim will be automatically processed when you purchase your prescription drugs at any one of the participating pharmacies in Illinois — that's 98% of Illinois pharmacies!

BlueChoice Select & BlueChoice Value (continued)

The BlueChoice Network Saves You Money!

Our BlueChoice Select and BlueChoice Value health insurance plans give you access to the BlueChoice network of contracting providers, including hospitals, physicians and specialists close to your home. Our agreements with these contracting providers allow you to save on premiums — as much as 19% over our comparable major medical plans! But that's not all. You'll also save on the cost of covered services when you use these contracting providers.

Your benefits are paid at the highest level when you receive care from a BlueChoice network contracting provider. You do not need to select a primary care physician to coordinate care and you don't need a referral to see a specialist. You can receive care from a provider outside the network, but your benefits will be paid at a lower level and your out-of-pocket cost will be significantly higher.

The BlueChoice hospital network was created based on geographic accessibility, the number of board-certified physicians on staff and status with the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Count on BlueChoice Select and BlueChoice Value to give you savings, a broad range of benefits and the flexibility you want in making your care choices.

Travel with Confidence — You're Covered Away from Home

As a member of Blue Cross and Blue Shield of Illinois, you'll have access to a program called BlueCard PPO. This is a nationwide network of participating providers that allows you to receive benefits for covered services when you travel. Simply present your Blue Cross and Blue Shield of Illinois ID card to a participating BlueCard PPO provider wherever you are.

No Paperwork — Your Claims Are Handled for You

In most cases, all you have to do is show your Blue Cross and Blue Shield ID card at a doctor's office or hospital, and your claim will be filed for you.

Guaranteed Renewability

As long as your premiums are paid on time, your coverage can be non-renewed only for the following reasons: (1) fraud or an intentional material misrepresentation, or (2) all policies bearing your policy's form number are non-renewed.

Financial Stability You Can Count On

Today one American in three carries a Blue Cross and Blue Shield membership card. In fact, over 6.5 million residents across Illinois trust the Blue Cross and Blue Shield brand for their health care insurance. Blue Cross and Blue Shield of Illinois has been serving the health insurance needs of Illinois residents for more than 65 years. We're one of the largest and most financially secure insurance companies in the state. A.M. Best, one of the leading rating agencies of the insurance industry, has awarded us an "A+" (Superior) rating.*

* If answering "YES" please carefully read the following notice.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT & HEALTH INSURANCE

According to information you have furnished, you intend to lapse or otherwise terminate existing accident and health insurance and replace it with a policy to be issued by the insurance carrier. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the insurance carrier to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
4. It is recommended that you do not terminate your present contract until you are certain that your application for the new contract has been approved by the insurance carrier.
