**Blue Care Connection (BCC)**

When members receive covered inpatient hospital services, coordinated home care, skilled nursing facility or private duty nursing from a participating provider in the state of Illinois, the provider will be responsible for contacting the BCC pre-notification line. When using non-participating Illinois providers and out-of-state providers, members are required to contact the BCC pre-notification line **1 business day prior** to any elective inpatient admission or within **2 business days after** an emergency or maternity admission. Failure to pre-notify with the BCC when required will result in benefits being reduced by \$1,000.

**\*More on Individual Coverage and Family Coverage Deductibles...**

- If a member has **individual coverage**, each calendar year he/she must satisfy an **individual coverage deductible** before receiving benefits under this policy. The amount of the individual deductible is indicated above on this benefit highlight sheet. After a member has claims for covered services in a calendar year, which exceed this deductible amount, benefits will begin.
- If a member and his/her dependents have **family coverage**, each calendar year they must satisfy the **family coverage deductible** before receiving benefits under this policy. The amount of the family deductible is indicated above on this benefit highlight sheet. Once a member's claims for covered services in a calendar year exceed this deductible amount, benefits will begin. That is, for the remainder of the calendar year, no other family member will be required to meet the deductible before receiving benefits. No one is eligible for benefits under family coverage until the entire family deductible has been satisfied.
- **Please note:** The deductible amount may be adjusted based on the cost-of-living adjustments determined under the Internal Revenue Code and rounded to the nearest \$50.
- **Also note:** Should the Federal Government adjust the deductible for high deductible plans as defined by the Internal Revenue Service, the deductible amount in the Certificate will be adjusted accordingly.

**Schedule of Maximum Allowances (SMA)**

The Schedule of Maximum Allowances (SMA) is not the same as a Usual and Customary fee (U&C). Blue Cross and Blue Shield of Illinois' SMA is the maximum allowable reimbursement for professional services, including but not limited to those listed under Medical/Surgical and Other Covered Services above. Out-of-network professional providers are those who have not signed an agreement with Blue Cross and Blue Shield of Illinois to accept the Schedule of Maximum Allowances as payment in full. Therefore, members may be responsible to these providers for the difference between the Blue Cross and Blue Shield benefit payment and the providers' charges.

**To Locate a Participating Provider:** Visit our Web site at [www.bcbsil.com/providers](http://www.bcbsil.com/providers) and use our Provider Finder® tool.

In addition, benefits for covered individuals who live outside Illinois will meet all extraterritorial requirements of those states, if any, according to the group's funding arrangements.
