

HDHP Drug List

Effective January 1, 2011

Listed below in alphabetical order are commonly prescribed drugs that are covered under the High Deductible Health Plans. This is not a complete list. If there is a prescription drug that is not on this list, go to **Humana.com** or call the Customer Service phone number on the back of the member ID card to see if it's covered.

Note: The drugs in **BOLD TYPE** are generic drugs. The drugs in regular type are brand-name drugs.

IR = immediate release, SR = sustained release, ER = extended release, QL = quantity limit, PA = prior authorization

Please Note: This is a partial list.

All lists are subject to change. Benefits vary by plan. This Drug List may not apply to all plans. Please check the Summary of Benefits or **Humana.com** for the specific prescription drug benefit, including copayments, limitations and exclusions. You may also call a Humana Customer Service representative at the phone number on the back of the Humana member ID card.

Go to Humana.com for a current Drug List

Visit Humana's Website for the most up-to-date Drug List. The online list is updated regularly. You can also learn more about the prescription drug benefit and copayments. It is suggested that before members go to the pharmacy, they go to **Humana.com**, and log in to *MyHumana* or click on "Register Now" for access to this information and more.
