### Limitations and exclusions

This is a partial list of limitations and exclusions. Your group may have specific limitations and exclusions not included on this list. Please check your Certificate of Coverage for this complete listing. The Certificate of Coverage is the document upon which benefit payment will be determined.

1. Care for conditions that state or local law requires to be treated in a public facility.
2. Experimental drugs or substances not approved by us or by the Food and Drug Administration; drugs or substances used for other than Food and Drug Administration approved indications or drugs labeled: “Caution-limited by federal law to investigational use.”
3. Drugs or medicines, prescription or nonprescription, provided to the member while he or she is not hospital confined, unless otherwise covered by a Prescription Drug Benefit Rider attached to the Group Plan.
4. Any service, supply, care or treatment that is not described in the Health Services Agreement or any rider attached to and made a part of the Group Plan.
5. Any service, supply, care or treatment provided to the member without the authorization of his or her primary care physician, unless the member is receiving emergency services or care from a participating woman’s principal health care provider who is in the same medical group as the member’s primary care physician.
6. The purchase or fitting of hearing aids, eyeglasses, contact lenses or advice on their care; except the first pair of eyeglasses or contacts needed due to cataract surgery or an accident.
7. Biomicroscopy, field charting or aniseikonic investigation.
8. Reversal of elective sterilization or sexual reassignment surgery.
9. Any drug, biological product, device, medical treatment or procedure which is experimental or investigational, as described in the Group Plan.
11. Services and supplies for dental care, including dental appliances; treatment of the teeth or periodontium or oral surgery, except as described in the Group Plan.
12. Services and supplies for treatment of temporomandibular joint (TMJ) syndrome/dysfunction unless such services are medically necessary as determined by the member’s primary care physician and authorized on a prospective and timely basis by the HMO’s medical director.
13. Care and treatment of feet unless such services are medically necessary as determined by member’s primary care physician.
14. A physical examination which would result in a duplication of benefits.
15. Any service, supply or treatment connected with custodial care.
16. Any treatment to reduce obesity including, but not limited to, surgical procedures, unless medically necessary.
