\$500 Supplemental Accident Rider

This rider modifies your coverage as follows:

- We will pay 100 percent of the first \$500 of covered expenses incurred for the treatment of an accidental injury. Treatment must be provided within 72 hours of the injury.
- We will also cover related expenses incurred within 90 days of the date of the injury, not to exceed the \$500 limitation.
- This benefit is not subject to a deductible or coinsurance.
- Any expenses covered under this rider are not covered under any other section of the group policy.

*Limitations and exclusions apply. Refer to your Certificate for details.

This is not a policy of Workers' Compensation insurance. The employer does not become a subscriber to the Workers' Compensation system by purchasing this policy, and if the employer is a nonsubscriber, the employer loses those benefits which would otherwise accrue under the Workers' Compensation laws. The employer must comply with the Workers' Compensation law as it pertains to nonsubscribers and requires notification that must be filed and posted.
