- 3) You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
- 4) Benefits and premiums under this policy may be suspended for up to 24 months if you become entitled to benefits under Medicaid. You must request that your policy be suspended within 90 days of becoming entitled to Medicaid. If you lose (are no longer eligible for) benefits from Medicaid, this

policy can be reinstated if you request reinstatement within 90 days of the loss of such benefits and pay the required premium.

If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within ninety (90) days of losing your employer or union-based group health plan.*

*If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
