6 Reasons To Partner With A Professional Employer Organization

- + Organizations that outsource multiple functions to a single vendor (like a PEO) save an average of 32%.¹
- + Companies using a PEO grow 7 - 9% faster.²
- + Companies using a PEO experience 23 - 32% lower rates of employee turnover.²
- + Businesses that use a PEO are 28% more satisfied with their selection of health care benefits.³
- + PEO clients are 15% more satisfied with the quality of new hires.³
- + PEO clients are 50% less likely to go out of business.²

² "Professional Employer Organizations: Keeping Turnover Low and Survival High." McBassi & Company. 2014

³ "PEO: Taking Outsourcing a Step Beyond Pays Off for Small and Mid-Sized Companies." Aberdeen Group. 2011

Did you know? The average cost of managing administrative HR functions "in house" is \$2,000 per employee, per year.¹

That's not a small amount of money for any organization, but it can be particularly painful for small and mid-size companies looking to grow their business.

As one of the preeminent professional employer organizations (PEOs) in the country, **G&A Partners** has teamed up with **[broker name]** to provide its clients with **comprehensive HR solutions** designed to help your organization minimize cost, reduce risk and increase productivity.

G&A Partners specializes in providing employers with:

- **Expert HR support** from a team of professionals to help with everything from recruiting to employment law compliance to benefits and workers' compensation administration.
- **Easy-to-use HR technology** systems that help you automate tedious administrative tasks without the high cost of owning your own system.
- **Exceptional benefit plan offerings** through top-tier carriers like Blue Cross Blue Shield of Illinois, Guardian, Unum and more.
- **Easy and error-free payroll** administration services with the help of a dedicated payroll specialist.
- **Workplace safety experts** that can help you identify potential hazards and provide a safer work environment.
