Thanks to our unique, web-based underwriting process, even prospects who have experienced difficulty getting insured can obtain 10, 20 or 30-year term or whole life policies with face amounts up to \$250,000 in days, not months.

Fidelity Life Association Graded Death Benefit Term and Whole Life products even offer enhanced placement rates, quicker commission payments and less cumbersome administrative tracking that will greatly benefit you.

Graded Death Benefit Term and Whole Life are “graded death benefit” policies. This means that the death benefit in the first two years is less than the full amount of insurance for which the customer applied. The death benefit “grades” in years one and two. In the third year the death benefit is equal to the full amount of coverage. The full death benefit will be paid in years one and two for accidental death. (For specific death benefits in years one and two see Death Benefit Charts).
