# Presidential Life's Graded Benefit Life (GBL)

The Graded Benefit Life policy offers individuals who are either very highly rated or uninsurable and unable to obtain life insurance at standard rates an opportunity to obtain permanent, non-participating whole life coverage on a guaranteed issue basis. Death benefits under the policy are limited in the event of death from other than accidental causes during the first two or three policy years, depending on age at issue.

## POLICY BENEFITS

Benefits payable during the first 3 policy years, except when death results from accidental causes, are limited to premiums paid plus 5% compounded annually.

### Issue age 65 or older

Benefits payable during the first two policy years, except when death results from accidental causes, are limited to premiums paid plus 5% compounded annually.

## POLICY ISSUE GUIDELINES

1. The application must be signed in the state in which the insured resides. "Out-of-state" applications are not acceptable. In addition, the application must be completed during a face-to-face meeting between the agent and the insured. This policy is not filed as a "mail order" product.
2. The applicant/insured must be able to sign the application in his or her personal signatory capacity. Applications signed by the holder of a Power-of-Attorney will not be accepted. An applicant may make his or her mark (as opposed to his or her signature), in which case, an explanation of why the individual was unable to sign his or her name (viz. severe palsy) must accompany the application.

3. An individual who is a patient or a resident in any form of health care or nursing home facility is not eligible for coverage.
4. Funeral home and burial societies may not be a party to the application, nor may either of these be named as a policy beneficiary.
5. Premiums are calculated based on **age nearest** birthday and the first full gross modal premium chosen should be submitted at the time of application.
6. Monthly premium payment is available only through (check-o-matic) automatic electronic debit from a checking or savings account.

To establish check-o-matic premium payment requires completion of a Direct Debit Authorization form. Electronic monthly payments drawn on the policy issue date (between the 1st to 28th of each month).

7. If premiums are to be paid monthly, one month premium must accompany the application when submitted.
8. Pennsylvania Reg Title 31 requires that we receive certification from the agent that Appendix A "Appendix A Disclosure Statement Delivery Receipt" was given to the applicant no later than at the time that the application was signed by the applicant. Please note that Pennsylvania requires a regular Application Part I and a non-medical Part II to be submitted and declined before the GBL application and premium are submitted.
9. **All GBL's must be submitted on a pre-paid basis and we cannot accept post-dated checks. No money orders greater than \$500 will be accepted. No third party checks.**
10. Coverage becomes effective when application is received in the Presidential home office in good order.

### COMPENSATION CHARGEBACK POLICY

The death of the insured during the first six months following policy issue results in a 100% chargeback.

The death of the insured during the next six months results in a 50% chargeback.

### REINSTATEMENT GUIDELINE

Reinstatement following policy lapse requires submission of a reinstatement application for review. The policy will be reinstated if the applicant meets certain requirements. For additional information on reinstatement requirements, contact Presidential Life medical underwriting department.
