Medicare Supplement Insurance Plan 2021 Bonus Program

2021 Medicare Supplement Insurance Plan Bonus Program

Blue Cross and Blue Shield of Illinois (BCBSIL), is committed to rewarding you for your extra efforts throughout the year with a special bonus program for new Medicare Supplement Insurance Plan sales. It's our way of saying thank you for all you do.

The Medicare Supplement Insurance Plan Bonus Program includes a tiered bonus schedule based on your production level. The higher the number of Medicare Supplement Insurance policies sold by a writing producer throughout the program period, the higher total payout. And there is no maximum!

Bonus Amounts Based on Production

There are three bonus-per-policy amounts, depending on the total number of policies sold during the bonus period:

- If you sell up to 20 policies, your bonus per policy is \$50.
- If you sell up to 30 policies, your bonus per policy is \$75.
- If you sell 31 or more policies, your bonus per policy is \$85.

You must sell a minimum of 5 new policies during the program period to qualify for the bonus.
