ELIGIBILITY

1. **Eligible Person:** Employer has decided that Eligible Person means a Full-Time Employee of the Employer. Full-time Employee means an Employee of the Employer who is regularly scheduled to work a minimum of _____ hours per week.

The term "Employee" shall have the meaning set forth under ERISA and applicable law. BCBSIL reserves the right to audit Employer's initial and ongoing eligibility determinations.

2. **Civil Union Partner Coverage:** A Civil Union partner, as defined in the Policy, and his or her dependents are automatically eligible to enroll for coverage and, once enrolled, eligible for continuation of coverage as described in the Certificate Booklet. The Employer as Policyholder is responsible for providing notice of possible tax implications to those Insureds with coverage for Civil Union partners.

3. **Domestic Partner Coverage:** ☐ Yes ☐ No

If Employer elects "Yes," a Domestic Partner, as defined in the Certificate Booklet, shall be considered eligible for coverage. The Employer is responsible for providing notice of possible tax implications to those Insureds with Domestic Partner Coverage.

Continuation coverage for Domestic Partners: If Employer elects coverage for Domestic Partners, Domestic Partners may be eligible for continuation coverage under Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). Employer shall determine eligibility for COBRA continuation for Domestic Partners, if any. Please indicate your election below:

☐ Yes, Employer elects to offer continuation coverage to Domestic Partners, as defined in the Certificate Booklet

☐ No, Employer does not elect to offer continuation coverage to Domestic Partners (Domestic Partners are not eligible for continuation coverage)

☐ Other: _____

4. **Retiree Coverage:** ☐ Yes ☐ No If yes, complete the following, as applicable:

A. Retiree means those persons covered as retirees under the Employer's health care plan prior to the date the Employer initially purchased coverage from BCBSIL. ☐ Yes ☐ No

If yes, indicate the retiree name(s) below:

Name of Retiree	Name of Retiree
_____	_____
_____	_____
_____	_____

B. Retiree means those persons who retire on or after the effective date of this BPA: Yes ☐ No ☐
If yes, such retirees must be at least _____ years of age on the date of retirement with _____ years of continuous full-time employment with the Employer. Note: Minimum years of age is fifty-five (55); minimum years of continuous full-time employment is ten (10).

For existing groups, former Employees who retired after the date the Employer initially purchased coverage from BCBSIL and prior to the initial effective date of the retiree coverage specified in item 4.B. above are not eligible. An Employer may only elect or change retiree coverage on the Policy Effective Date or Policy Anniversary Date. For Life Plans, retiree coverage is not available.

5. Eligibility Date: All current and new Employees must satisfy the substantive eligibility criteria and required waiting period indicated below before coverage will become effective. No waiting period may result in an effective date that exceeds ninety-one (91) calendar days from the date that an Employee becomes eligible for coverage, unless otherwise permitted by applicable law.

If a person is added to the Policy and it is later determined that the Employer reported a Coverage Date earlier than what would apply to the Employee or dependent, based on the waiting period and eligibility conditions the Employer provided to BCBSIL, BCBSIL reserves the right to retroactively adjust the Coverage Date for such person.

A. For Health, Dental PPO, and Life Coverage (If purchasing life or short-term disability coverage, the account must have a first (1st) of the month effective date):

☐ The date of employment	☐ The _____ day of employment. **Note:** This may not exceed ninety-one (91) calendar days	☐ The first (1st) day of the month following the date of employment.
☐ The _____ day of the month following _____ month(s) of employment

☐ The first (1st) day of the month following _____ month(s) of employment
☐ The first (1st) day of the month following _____ day(s) of employment (option of up to sixty (60) days)
Note: For multiple classes with different eligibility dates, use the Additional Provisions section below to specify each class and eligibility date.

C. Waive the waiting period on initial group enrollment? ☐ Yes ☐ No If No is selected, complete Section D.

D. Number of Employees serving waiting period: _____

E. Substantive eligibility criteria. Provide a representation below regarding the terms of any eligibility conditions (other than any applicable waiting period already reflected above) imposed before an individual is eligible to become covered under the terms of the plan. If any of these eligibility conditions change, Employer is required to submit a new BPA to reflect that new information. Check all that apply:

☐ An Orientation Period that:

1. Does not exceed one (1) month (calculated by adding one (1) calendar month and subtracting one (1) calendar day from an Employee's start date); and

2. If used in conjunction with a waiting period, the waiting period begins on the first (1st) day after the orientation period.

☐ A Cumulative hours of service requirement that does not exceed 1200 hours

☐ An hours-of-service per period (or full-time status) requirement for which a measurement period is used to determine the status of variable-hour Employees, where the measurement period:

1. Starts between the Employee's date of hire and the first (1st) day of the following month;

2. Does not exceed twelve (12) months; and

3. Taken together with other eligibility conditions does not result in coverage becoming effective later than thirteen (13) months from the Employee's start date plus the number of days between a start date and the first (1st) day of the next calendar month (if start day is not the first (1st) day of the month).

☐ Other substantive eligibility criteria not described above; please describe: _____

6. **Limiting Age for covered children:** Hereafter, Covered Children means a natural child, a stepchild, an eligible foster child, an adopted child (including a child involved in a suit for adoption,) a child for whom the Insured is the legal guardian, under twenty-six (26) years of age, regardless of presence or absence of a child's financial dependency, residency, student status, employment status (if applicable under the Policy), marital status, or any combination of those factors. Health and dental coverage will terminate at the end of the month in which the covered child turns age twenty-six (26). If the covered child is eligible military personnel, the Limiting Age is thirty (30) years as described in the Certificate Booklet. For Life Plans, coverage will terminate on the birthday. However, coverage shall be extended due to a leave of absence in accordance with any applicable federal or state law.

7. **Disabled Dependent**: Disabled Dependent means a child who is medically certified as disabled and dependent upon the Employee or his/her spouse (or Civil Union partner and/or Domestic Partner, if elected). A disabled dependent is eligible to continue coverage beyond the limiting age, provided the disability began before the child attained the age of twenty-six (26). A disabled dependent is eligible to add coverage beyond the limiting age, provided the disability began before the child attained the age of twenty-six (26), and proof of coverage as a disabled dependent is provided.

Certification Review is administered by BCBSIL; a Disabled Dependent Certification Form must be submitted to BCBSIL.

8. **Enrollment:**

Special Enrollment: An Eligible Person may apply for coverage, Family Coverage or add dependents within thirty-one (31) days of a Special Enrollment event if he/she did not apply prior to his/her Eligibility Date or when eligible to do so. Such person's Coverage Date, Family Coverage Date, and/or dependent's Coverage Date will be effective on the date of the Special Enrollment event or, in the event of Special Enrollment due to termination of previous coverage, the date of application for coverage. In the case of a Special Enrollment event due to loss of coverage under Medicaid or a state children's health insurance program, however, this enrollment opportunity is not available unless the Eligible Person requests enrollment within sixty (60) days after such coverage ends.

Annual Open Enrollment: For Health and Dental Plans only, an Eligible Person, who did not enroll under Timely Enrollment, may apply for Individual coverage, Family coverage or add dependents during the Employer's Annual Open Enrollment Period. The Open Enrollment Period is to be held thirty (30) days prior to the Policy Anniversary Date of the program. Such person's Individual Coverage Date, Family Coverage Date and/or dependent's Coverage Date will be the Policy Anniversary Date following the Open Enrollment Period, provided the application is dated and signed prior to that date.

Late Enrollment: For Non-Voluntary Life, Accidental Death and Dismemberment (AD&D) and Short-Term Disability Plans only, an Eligible Person who did not apply under Timely Enrollment may apply for Individual coverage, Family coverage or add dependents. Late enrollees must furnish acceptable evidence of insurability if the Employer contributes less than one hundred percent (100%). If the Employer contributes one hundred percent (100%), such person's effective date will be a date mutually agreed to by the insurance company and the Employer. For Voluntary Life Plans only, Employees applying for or increasing coverage after their initial eligibility period can only enroll during the Employer's annual enrollment period. Satisfactory evidence of insurability will be required for Voluntary Life coverages in these circumstances**.**

9. **Extension of Benefits:** An Extension of Benefits will be provided for a period of thirty (30) days in the event of Temporary Layoff, Disability or Leave of Absence. However, benefits shall be extended for the duration of an

Eligible Person's leave in accordance with any applicable federal or state law. In the event of Total Disability at the time the group policy is terminated, an Extension of Benefits will be provided for a period of no more than twelve (12) months from the date of termination to the extent required, and in accordance, with any applicable federal or state law.

For Life Plans, an extension of benefits will be provided as follows: Due to Disability - until the end of the twelfth (12th) month following the month in which the disability began; Due to Layoff and Leave of Absence - until the end of the month following the month during which the layoff or leave of absence began. The extension will apply, provided all premiums are paid when due.

In no event, however, shall the policy be issued or renewed unless at least two (2) Eligible Employees have enrolled for coverage.

E. **The following applies to Non-Grandfathered Groups.** BCBSIL reserves the right to take any or all of the following actions:

3. MEDICARE SECONDARY PAYER (MSP) EMPLOYER ACKNOWLEDGEMENT FORM (EAF)

Under federal law, it is the employer's responsibility to inform its insurer or third-party administrator of proper employee counts for the purpose of determining payment priority between Medicare and another insurer. Employer size, not group health plan size, is used in determining whether the group health plan or Medicare is the primary payer. Please refer to the instructions and more frequently asked questions that follow this form for more details on how to complete this Medicare Secondary Payer section.

Employers should provide this information ANNUALLY during the data collection period and submit their information through Blue Access for Employers℠ (BAE℠) or submit a completed stand-alone MSP form to data_collection@bcbsil.com.

Understand that you are obligated to notify Blue Cross and Blue Shield of Illinois (BCBSIL) if and when your status changes, by completing a stand-alone MSP EAF as a CHANGE or ERROR CORRECTION. Email to data_collection@bcbsil.com.

IMPORTANT: In the absence of employer-provided employee counts, CMS requires that the employer's group health plan coverage be considered primary to Medicare. Therefore, the failure to timely provide this information and to submit annual employee count reports could impact the coverage and benefits your Medicare-enrolled plan enrollees experience.

Please indicate the effective year for which the form is being completed. Effective Year:
My company is a NEW client of BCBSIL (check one): ☐ My company was NOT in business in the last calendar year ☐ My company WAS in business in the last calendar year

SECTION D: MLR AVERAGE EMPLOYEE COUNT / WRITTEN ASSURANCE

FOR MLR AND MARKET SEGMENT PURPOSES ONLY

The Affordable Care Act (ACA) established Medical Loss Ratio (MLR) standards for health insurers. Generally, the MLR is the percentage of earned premiums that the insurer spends on health care services and quality improvement activities. If the insurer's MLR is less than the ACA's MLR standards for a group market in the state, the insurer may be required to provide premium rebates in that market. The ACA requires that BCBSIL report annually whether coverage it issues in the individual, small group or large group markets in Illinois meet MLR standards. Your assistance is needed to classify your coverage for each MLR reporting year.

This section and the information you provide will assist us in completing our ACA-MLR report and distributing any ACA-MLR rebates that may be provided for an ACA-MLR reporting year. Please complete the information requested below. This section and the information you provide will also assist us in determining your market segment, products and rates.

1. Average Employee Count – Employer Size

For the purpose of determining employer size:

- An "employee" is defined as any individual employed by an employer. An employee includes full-time, part-time and seasonal employees.
- Employers treated as a single employer under Internal Revenue Code Section 414(b), (c), (m) or (o) should be treated as a single employer.
- If your company is wholly owned by an individual (or an individual and his/her spouse), do not include the individual and his/her spouse in your response below.
- Partners in a partnership should not be counted as employees.

Check the box that applies to your company (employer):

☐ My company (employer) **existed** during the preceding calendar year.
What is the average number of employees that your company (employer) employed on business days during the calendar year (January 1–December 31) preceding the effective date of coverage? For example, if your effective date is July 1, 2021 then you would base your answer on calendar year 2020. _____

☐ My company (employer) **did not exist** at any time during the preceding calendar year.
What is the average number of employees that your company (employer) is reasonably expected to employ on business days during the current calendar year? _____

Is your company a partnership? ☐ Yes ☐ No

2. Church Plan Written Assurance (Substitute MLR Written Assurance Form)

To provide a rebate to a policyholder that sponsors a church plan, the MLR regulations require that an insurer obtain a written assurance from the policyholder that any rebate will be used for the benefit of subscribers as described in the MLR regulations (45 C.F.R. 158.242(b)(3)). **If the written assurance is not provided, the MLR regulations require that an insurer distribute any rebate directly to certain subscribers of the plan (rather than to the policyholder).**

Does the policyholder listed below sponsor a church plan in connection with the policyholder's Blue Cross and Blue Shield of Illinois (BCBSIL) coverage? Church plan has the meaning given the term in Internal Revenue Code Section 414(e).

☐ **No, the group health plan is NOT a church plan. (If "no", proceed to Section E: Signature / Attestation.)**

OR

☐ **Yes, the group health plan is a church plan. If "yes" (check one of the following):**

- ☐ The policyholder WILL use any MLR rebate for the benefit of subscribers as described in the MLR regulations (45 C.F.R. 158.242(b)(3)).
- ☐ The policyholder WILL NOT use any MLR rebate for the benefit of subscribers as described above. I understand that, if this option is selected, BCBSIL will distribute any MLR rebate directly to certain subscribers of the plan.

If this Written Assurance Form is not completed, signed and received from a church account, BCBSIL will provide any MLR rebate directly to certain subscribers of the plan.

Instructions

COMPLETING THE ANNUAL MSP EMPLOYER ACKNOWLEDGEMENT FORM

Important Note

Under federal law, it is the employer's responsibility to inform its insurer or third-party administrator of proper employee counts for the purpose of determining payment priority between Medicare and another insurer. Employer size, not group health plan size, is used in determining whether the group health plan or Medicare is the primary payer. Please refer to the attached instructions for more details. **In the absence of employer-provided employee counts, CMS requires that the employer's group health plan coverage be considered primary to Medicare.**

Employers should provide this information ANNUALLY during the data collection period and submit their information through Blue Access for Employers℠ (BAE℠) or submit a completed stand-alone MSP form to data_collection@bcbsil.com.

Understand that you are obligated to notify BCBSIL if and when your status changes, by completing a stand-alone MSP EAF as a CHANGE or ERROR CORRECTION. Email to data_collection@bcbsil.com.

Background

When an individual is covered by both Medicare and an employer's group health plan (GHP), Medicare secondary payer (MSP) rules specify that the employer's total size, not group health plan enrollment size, is a factor in determining whether Medicare benefits are primary or secondary. Employer size is a factor in MSP order of payment determinations when the covered individual is Medicare-entitled due to either age ("working aged") or disability.

Employer Information — Who is the Employer?

For MSP purposes, the employer is the legal entity that employs the employees. For example, the employer may be an individual, a partnership, or a corporation. In some situations, it may not be clear which corporation or individual is the employer for MSP purposes. In these cases, employers must use Internal Revenue Service aggregation rules provided in the Internal Revenue Code [IRC 26 U.S.C. Sections 52(a), 52(b), 414(n) (2)]. In general, these rules specify that single employers include:

- all employees of all corporations that are members of the same controlled group of corporations, and
- all employees of trades or business (whether incorporated or not), e.g., employees of partnerships, LLCs, proprietorships that are under common control.

The Centers for Medicare & Medicaid Service's (CMS) MSP Manual provides additional guidance about aggregation for affiliated service groups and religious orders, as well as authoritative information about employer size and other MSP topics. The MSP Manual is available online at https://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals/Internet-Only-Manuals-IOMs-Items/CMS019017

For purposes of this MSP EAF, please understand that you are obligated to notify BCBSIL if and when your status changes, by completing a stand-alone MSP EAF as a **CHANGE** or **ERROR CORRECTION** and email to data_collection@bcbsil.com.

An **Error Correction** is necessary when a previous MSP EAF was submitted TIMELY during the data collection time frame and a correction is needed.

Question 1 — Did you file a separate Federal Tax Return?

If you filed a federal tax return that did not include information about any other individual or entity, check "Yes." If you filed a federal tax return consolidated with another individual or entity, check "No." If you are not required to file a federal tax return, check "N/A."

Question 2 — Employer Size from Your Federal Tax Return Information

How many employees did all the entities listed on the tax return have on the payroll (whether full-time, part-time, seasonal or partners) during the prior calendar year? It is important that you enter the total number of employees for all entities (including parent,

subsidiaries and affiliated entities) listed on the tax return, since this may determine whether or not Medicare will be the primary payer of claims. Subsidiaries of foreign companies must count the number of employees of the organization worldwide.

Question 3 — Are you part of a multi-employer group health plan?

Authoritative guidance for determining multiple employer group health plan participation can be found in the Code of Federal Regulations at 29 CFR § 2510.3-37.

Questions 4 and 5 — Working Aged Rule & Employer Size

Under the MSP "working aged" rule, Medicare is secondary to the employer's GHP coverage if the employer's size equals 20 or more employees for each working day in each of 20 or more calendar weeks in the current or prior calendar year. (Question 4 refers to this standard as "the threshold.") Note: The year of your upcoming renewal is the 'current' year. If your company is a new client to BCBSIL AND if there have not yet been 20 weeks in the current calendar year, base your answer on current employee count. Understand that you are obligated to notify BCBSIL if and when your status changes, by completing a stand-alone MSP EAF as a CHANGE and submitting it to data_collection@bcbsil.com. This also applies to multi-employer and multiple employer group health plans in which at least one employer employs 20 or more employees.

- Counting individuals for the "20-or-more" employer size
  - Employees counted in the 20-or-more employer size include the total number of nationwide full-time employees, part- time employees, seasonal employees and partners who work or who are expected to report for work on a particular day.
  - Those not counted in the 20-or-more employer size include retirees, COBRA qualified beneficiaries and individuals on other continuation options, and self-employed individuals who participate in the employer's group health plan.
- Employer size increases to 20 or more during the year

If the employer's size was below 20 during the prior year, the employer's GHP coverage becomes primary as soon as the employer has had 20 or more employees on each working day of 20 calendar weeks of the current year. The 20 calendar weeks do not have be consecutive. Then, the employer's GHP coverage is primary for the remainder of the year and during the following year.

For example, the employer's size meets the 20-or-more employee threshold as of October 1 of the current calendar year. The employer's GHP coverage becomes primary for services provided from October 1 of the current calendar year through December 31 of the following year.

Please note: If you check "No" for the current year in EAF **Question 4** and your answer changes to "Yes" at any time, you must promptly notify BCBSIL by completing a stand-alone MSP form and indicating the date the change occurred in the space provided in **Question 4**.

- Employer size fails to meet the threshold of '20 or more employees during 20 or more weeks' during the year

If the employer's size met the threshold of 20 or more employees for each working day in each of 20 or more calendar weeks for the prior year, but during the current calendar year the employer size never meets that threshold, the employer's group health plan remains primary until the end of the current year.

For example, during the last calendar year the employer's size met the threshold of 20 or more employees for each working day in each of 20 or more calendar weeks. However, during the current calendar year the employer's size never meets this threshold. The employer's group health plan coverage remains primary through the current year, ending on December 31.

- Individuals affected by the working aged rule

The "working aged rule" applies to individuals who are Medicare-entitled due to age (age-65 or older) and

  - Are covered under their employer's GHP and have "current employment status" and the employer meets the "20-or-more" employer size requirements (above), or
  - Are covered under their spouse's (of any age) employer's GHP and the spouse has current employment status and the employer meets the "20-or-more" employer size requirements (above).

BlueCross BlueShield of Illinois

Questions 6 and 7 — Disability Rule & Employer Size

Under the MSP "disability" rule, Medicare benefits are secondary to an employer's large group health plan (LGHP) benefits when the employer size equals 100 or more full-time and/or part-time employees on 50 percent or more of the employer's business days during the prior calendar year. The business days do not have to be consecutive.

For multi-employer plans, Medicare is the secondary payer for all individuals enrolled in the plan as long as at least one of the employers employs 100 or more employees. The 100-employee threshold is not based on the aggregate number of employees of all employers. If you are a multi-employer, please keep this in mind when completing questions 6 and 7.

- Counting individuals for the "100-or-more" employer size
  - Employees counted in the 100-or-more employer size include the total number of nationwide full-time employees, part-time employees, seasonal employees and partners who work or are expected to report for work on a particular day.
  - Those not counted in the 100-or-more employer size include retirees, COBRA qualified beneficiaries and individuals on other continuation options, and self-employed individuals who participate in the employer's group health plan.
- Employer size increases to 100 or more during the year

If the employer's size meets the 100-or-more employee threshold on 50 percent or more of the employer's business days during the current year, the employer's group health plan coverage will be primary to Medicare during the following year.

For example, an employer met the 100-or-more employee threshold on 50 percent or more of the employer's business days on October 1 of the current calendar year. The employer's GHP coverage will be primary for services provided the following year from January 1 through December 31 of the following year.

Please note: If you answer "No" to **Question 6**, you must promptly notify BCBSIL by completing a stand-alone MSP form as a CHANGE if your answer changes to "Yes" at the beginning of the next calendar year and sending to data_collection@bcbsil.com.

- Employer size doesn't meet the threshold of '100 or more employees during 50 percent of business days' during the year

If the employer's size does not meet the 100-or-more employee threshold during the year, the employer's GHP coverage is secondary to Medicare during the following year.

For example, during the current calendar year the employer's size never meets the threshold of 100 or more full-time and/or part-time employees on 50 percent or more of the employer's business days. The employer's group health plan coverage will be secondary to Medicare for services provided the following year from January 1 through December 31.

- Individuals affected by the disability rule.

The "disability rule" applies to individuals who are Medicare-entitled due a Social Security Administration determination of disability and

  - Are covered under their employer's GHP and have "current employment status" and the employer meets the "100-or-more" employer size requirements (above), or
  - Are covered under their family member's (of any age) employer's GHP and the family member has current employment status and the employer meets the "100-or-more" employer size requirements (above).
