

# Let's Grow Together

See how partnering with G&A Partners can help you deliver more value to your current clients, target new opportunities, and diversify your residual streams of revenue.

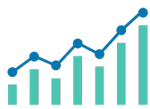

## We're a flexible PEO partner.

G&A Partners has been a leader in the professional employer organization (PEO) industry for 30 years and currently serves **100,000+ worksite employees and over 4,400 clients across the U.S.**, making G&A one of the largest privately held PEOs in the nation.

We work directly with brokers to reach more businesses that can benefit from the combined power of our partnership where clients have the value of your insurance expertise with our scalable HR, benefits, and payroll solutions – inclusive of a full-service PEO.

## Benefits of joining the G&A Referral Partner Program:

- **Tremendous buying power and transparent pricing** so that your clients can access top HR technology, employee benefits, workers' compensation, and more.
- A scalable and flexible partnership with G&A Partners that helps you **enhance retention** and **protect your book of business** from predatory PEOs and payroll providers as well as **differentiate** from other brokers.
- The opportunity to **deepen current client relationships** and establish yourself as a trusted advisor.
- The ability to help your **clients improve their profitability** while you gain access to an **additional revenue stream** for the life of the account.
