Navigation Tips: Every phone is different, so you may need to experiment to see what works best for your model. For phones using a navigational wheel like that pictured at right:

1. Use the arrows to move between boxes.
2. Click the center button to activate the box.
3. Use the arrows to move up and down within the selection box.
4. Click the center button to select your Plan Type, Sex, Tobacco Usage and CTLR Amount
5. Use the arrow keys to highlight the Calculate button. Click center button to perform calculations. Repeat steps 2-5 to make another selection.
